Dear Friends,

As your Commissioner of Insurance of the State of Louisiana, I am pleased to enclose the ninth Annual Report published under my administration. This report is a factual and statistical record of the operation of the office of the Commissioner of Insurance.

Along with this publication, I extend a cordial invitation to all citizens of Louisiana and to all members of the insurance industry nationwide to feel free to call on me or any member of my staff for assistance with any insurance problems.

Sincerely yours,

Sherman A. Bernard

Honorable David C. Treen
Governor of the State of Louisiana
Baton Rouge, Louisiana

Dear Governor Treen:

I have the honor to submit herewith Report of the Commissioner of Insurance giving the names of insurance companies authorized to do business in Louisiana with a statement of their financial condition and transactions in the State of Louisiana for the year ending December 31, 1979.

For the Calendar Year 1979, total license taxes and fees collected by this Department amounted to $55,617,176.00, an increase of $8,459,517.00 representing a 17.9% increase over the calendar year 1978. As of December 31, 1979, there were 1,274 companies licensed to do business in Louisiana. Of this number, 133 were domestic companies, and 1,141 were foreign companies.

Under the provisions of our Insurance Code, this Department has the responsibility of examining all companies doing business in Louisiana. Also, all policies and endorsements issued by insurance companies doing business in Louisiana must be approved by this Department. Annually, thousands of complaints by policyholders are received and investigated.

During the year, approximately 93,000 agents, brokers, and solicitors licenses were issued and company appointments processed, 4,822 examinations were given throughout the State; and 138 surplus line brokers were licensed. The conservation of assets and the protection of policyholders and claimants of all companies placed in receivership not covered by the Guaranty Association is a continuing function of this Department. In addition, this Department has the responsibility of regulating all sales of stock of an insurance company, or in an investment company or holding company with a stated purpose, by charter of prospectus, of forming an insurance company.

For the protection of Louisiana policyholders, domestic companies deposited with the State Treasurer safekeeping receipts from banks doing business within the state an aggregate of $54,048,634.84 and foreign companies deposited safekeeping receipts totaling $50,654,300.00.

Respectfully submitted,

Sherman A. Bernard

SHERMAN A. BERNARD
